Enjoy the tranquility of desert wilderness while ensconced in comfort and Southwestern style. Live well in this handsomely appointed, brand new home with two spacious master bedrooms, an additional guest bedroom, three bathrooms, an office, a large, open kitchen, a warm, welcome living room with a fireplace, a laundry room with ample cabinetry and space, and a large finished garage.

This solidly constructed abode on 2.5 acres will boast granite counter-tops in the kitchen and bathrooms, stainless steel appliances, natural-stone tiled showers, tiled floors in the common areas, quality carpet in the bedrooms, and centralized heating and air conditioning.

Awaken to the desert sunrise's rarified glow, take in lyrical views of boulders and mountainous outcroppings, and stroll to nearby Joshua Tree National Park to the sounds of quails calling, hummingbirds twittering, doves cooing, and wrens chattering.

Located just off a paved road in South Joshua Tree 1/4 mile from the High Desert medical center and within a mile of the national park boundary, this secluded and serene estate lies at a convenient distance to all amenities.
